# About

Conroy Simberg is a result-oriented insurance defense law firm offering a full range of legal services to insurance companies, self-insured organizations, businesses and professionals operating across Florida, Georgia and throughout the nation. We represent clients in construction, healthcare, insurance, general liability, manufacturing, professional services, retail, automotive, and transportation industries—to name a few. Our primary objective is to deliver outstanding results for each of our clients in the most efficient and cost effective manner possible.

## A Commitment to Client Relationships

The legal team at Conroy Simberg is sensitive to the needs of our clients and appreciates that every case involves unique challenges and opportunities. Our firm's philosophy is centered on fostering client relationships and spending as much time as needed responding to clients' questions, learning about their needs, and answering their concerns.

The attorneys at Conroy Simberg are committed to providing clients with innovative ways to contain legal costs and provide value for our clients. We provide early evaluation of cases and develop litigation plans that aim to resolve claims as quickly and cost-effectively as possible. We have developed sophisticated reporting procedures and systems that keep our clients apprised of all important developments in their cases.

Our firm is proud of the strong reputation we have built for delivering individualized attention and high-quality legal services to our clients. Businesses and organizations choose our firm because we are committed to developing strong relationships with our clients and they know they can count on the exceptional skills and experience of our attorneys.

## Comprehensive Insurance Defense Representation

Over the past four decades, Conroy Simberg has emerged as a leading insurance defense firm with approximately 130 attorneys working across a diverse range of practice areas. Our legal professionals are committed to being at the forefront of legal issues impacting the ever-changing insurance and business communities. We strive to keep abreast of new and emerging litigation, laws and regulations. Our legal team also monitors medical and scientific developments, as well as industry changes that may affect the business operations of our clients.

The legal team at Conroy Simberg believes in taking a proactive approach to legal representation. Legal disputes and liability claims can often be avoided if clients are made aware of important legal and regulatory developments. To spread our knowledge, we regularly counsel and advise clients on business and workplace issues in an effort to prevent future litigation. We also present educational seminars focused on critical legal trends and issues that may impact clients' ongoing operations.

## Strength in the Team

At Conroy Simberg, our strength is in our people. Our firm has grown from two attorneys in 1979 to close to 130 attorneys located in 13 offices in Florida and Georgia. Throughout our expansion, we have focused on establishing a firm of exceptional partners, associates, and paralegals who enhance and expand our firm.

Conroy Simberg is proud of the diverse backgrounds and experiences of our legal professionals. This training and knowledge gives our attorneys a keen understanding of the many industries and businesses in which our clients operate. Client satisfaction requires a complete awareness of a client's personal and financial goals. Our firm was built on that understanding.
