The West Palm Beach office of Conroy Simberg was launched in 1990 and has expanded into a team of more than 20 attorneys focused on serving the legal needs of insurance companies, self-insureds, businesses and professionals in West Palm Beach and its surrounding areas. The attorneys in this office and throughout our firm are experienced and committed professionals who have joined together to distinguish Conroy Simberg as a leader amongst civil defense law firms in Florida and the nation.

West Palm Beach is home to a strong and vibrant cultural district offering several venues and centers for arts and entertainment. Although tourism, hospitality and leisure, along with agriculture, real estate and construction are the primary industries in the area, high-tech industries also contribute to West Palm Beach's expanding economy.

Conroy Simberg's West Palm Beach office is strategically situated to satisfy all client needs from discovery to trial and appeal in the litigation process. Minutes from the Palm Beach International Airport, and 10 to 15 minutes from the workers' compensation and circuit courts of Palm Beach County, this office is stationed at the hub of litigation traffic.

The Palm Beach office is accessible to clients, litigants, experts, and any other participants involved in legal matters from the Palm Beaches up through The Treasure Coast of Martin and St. Lucie counties.
